

GCMS

1st International Workshop on
Global Contributions on
Mathematical Sciences

Operator theory and its
interdisciplinary applications

April

23, 2022

The workshop on Global Contributions on Mathematical Sciences is the maiden international workshop that will help to develop the psychomotor aspect toward knowledge of different areas of Mathematics. This year, the workshop would address the problems and solutions of operator theory and its interdisciplinary applications.

M. MURSALEEN

Full Professor

Aligarh Muslim University, India.

BIPAN HAZARIKA

Full Professor

Gauhati University, India.

VLADIMIR RAKOČEVIĆ

Full Professor

University of Nis, Serbia.

EBERHARD MALKOWSKY

Full Professor

University Union Nikola Tesla, Serbia.
